

GanttProject Report

Project : P4-OUT

Start : 3/14/11

End : 5/31/11

Organization : MUTW

Web Link : <http://sourceforge.net/projects/mutworange>

Description :

Our Gantt chart.

Date : Mar 25, 2011 11:05:18 AM

Tasks List

Name	Begin date	End date	Completion	Resources
Collect different forms Need to collect different forms from different countries/institutes to see where the differences are. ALSO who is only offering courses/offering courses with an internship OR only Internship	3/14/11	4/2/11	20	Nathan Stéphane
Setting up chart with the form flow Setting up a chart which displays the flow of the forms. Not only the study but also the internship	3/25/11	3/29/11	0	Nathan Stéphane
Agree with P-IN on layout forms Find a common layout for the forms!!!	3/28/11	4/1/11	0	Nathan Stéphane
Determ which forms can be common Based on the collected info determine which forms will be made common and which not. If not; create a system where forms are linked to a country or institutions PLUS finishing the database	4/4/11	4/9/11	0	Nathan Stéphane
Implement non/common forms Implement the decided common forms. Also for those which aren't common implement a database sytem where forms are linked to a country/institution	4/11/11	4/30/11	0	Nathan Stéphane
Creating ECTS forms	3/28/11	4/2/11	50	Nathan Stéphane
Implement flow of forms This will take some time because we while we setting up the flow we also need to develop some forms based on the experience from setting up the flow	4/11/11	5/10/11	0	Nathan Stéphane
Integrate information exchange module	4/18/11	4/23/11	0	Nathan Stéphane
Intensive testing of flow Testing by ourself and by external people to see where things could/are go(ing) wrong PLUS correcting the errors	5/10/11	5/31/11	0	Nathan Stéphane
